From J. H. McMahon, Esq., Editor Memphis Bulletin. MEMPHIS, March 24th, 1805. Mr. J. H. SEMMONS—Sir: The use I have made of the pair f Glasses obtained from you, satisfies me of the othicy and value of the form and material by which they are distin-guished. Without magnifying the object beyond the size apparent to the atural vision, they render it distinct and lear without fatigue to the eye. so far as my limited experience extends, I am very much eased with them. From Hon. Geo. D. Prentice, Editor Louisville Journal. \* \* \* Undoubtedly they are the beat Spectacles to the world. The continuous use of them for any number of hours does not fatigue the eyes in the least, and the vision of age is rendered by them in all respects like that of youth,

Ma J. H. Sermons—Sir: I have been using for one week the pair of Brazilian Speciacles that I purchased from you, and I do not hesitate to say that they are by far the best hat I have ever used. I am enabled to read the finest grint it night by a dim light, without straining mv eyes, whereas the spectacles that I have used heretofore, hurt them, and I could not read with any satisfaction. I consider your speciacies a great improvement upon any that I have ever seen. Yours, respectfully, G. M. FOGG. Yours, respectfully,

From Egbert A. Rawerth, Esq., City Recorder. NASHVILLE, July 27, 1855. Mr. J. H. Semmons—Sir: After ten days' constant use of the Spectacles obtained from you, I feel guarantied in testi-fying to their efficiency in restoring or relieving impaired vision. Previous to obtaining them my manuscript duties were performed with much labor to the eye, and often with pain; but since I have used your Brazilian Pebbles I have experienced nothing of the kind, but feel perfectly rejucenated. Whether the relief proceed from the peculiar form of the glasses or the material, or both combined, I cannot say. I prefer them to any glasses I have ever used, and take pleasure in recommending them to the public.
